Message from the Mayor

As we approach the end of another great year in the City of Bogart it's a wonderful time to look back on the achievements of the year and what is in store for the coming year. This year we were able to complete the first phase of the sewer project, which included East Thompson St. and Main St. We are excited to start the Master Streetscape Project on Main St. at the beginning of the year which will include a total revamp of the downtown area. Thank you for your encouragement, support, and patience throughout the construction process. I would like to wish you and your family a very Merry Christmas and a Happy New Year. I hope the New Year will be filled with an abundance of blessings.

Terri Glenn
