We will strive to behave in a manner that reflects the above values with being accountable to our Citizens whom we serve, and to each other in promoting a team spirit for the betterment of our City.

GEORGIA DAY

On February 12, 1733, James Oglethorpe landed with the first settlers in Anne at what was to become Georgia's first city,

Savannah. In 1981, the Georgia General Assembly provided that Feb. 12 –the anniversary of this landing—

be observed in public schools as Georgia Day. It is not a public holiday but our citizens have reason to celebrate our great state every day.

Mayor's Moment

"We think it's the big things that are going to change the world, but it's all the little things added together that make life matter."

Jennifer Dukas Lee
