We will strive to behave in a manner that reflects the above values with being accountable to our Citizens whom we serve, and to each other in promoting a team spirit for the betterment of our City.

Congratulations and Best Wishes for success in your future!

UPATE from our Mayor

Our May meeting will be on Zoom again. The only business on the Agenda is the bids for the Streetscape.

The "light" reopening is in progress. It is my understanding that Governor Kemp is trying to help those individuals that DO NOT qualify for loans from the SBA (Small Business Administration) or unemployment benefits. No one has to leave their home and go anywhere, if you are not comfortable in doing so. New information is posted weekly at City Hall regarding any new information on Government Orders. Please stay safe!
