To the Bogart Community,  
As my term as Mayor comes to an end I would like to take the opportunity to say thank you for giving me the honor of serving the wonderful community of Bogart for the past 20 years. When I first started this political journey in 1999 I never realized how much I would enjoy getting to know the citizens and how I would better myself in the process.

My time here has been marked by both challenges and triumphs and I will cherish the friendships I have made along the way. The tremendous support and encouragement that has been extended to me throughout the years has been overwhelming and invaluable to me. I will always be grateful for the time I had to work with you and learn from you.

My slogan has been by **Bringing Our Goals And Resources Together** we can make **BOGART** a wonderful place we can all be proud to call home. You, our Council Members, and our amazing employees have done just that.

I am not saying good bye as I know our paths will continue to cross in the days ahead. Again I thank you for the many positive memories I have from our time together.

Sincerely,  
Terri Glenn
